I remember going many palces with here, reunions, and every year we visited cemetary on Memorial Day and put fresh flowers from here yard on the graves of our famlies.

We spent many hours at the Auglaize Co Fair during fair week.

Notes for WILLIS C. MUSSER:

By Helen Musser Leidy

I was only 8 years when my Father died. I really don't remember very much about him, only what some people call "FlashBacks".

A Short time before he died He and our Mother purchased a Grocery store from Abe Measarvy. Abe and his family moved to the farm east of St Johns on State Rt 33 that our parents owned. This deal was more of a trade than a purchase. The store building belonged to Joe Blank prior to the Measarvy's ownership.

Father had plans to clean seeds for local farmers in a barn located behind the store building. He had purchased a seed cleaner, but in less than 2 years he died.

Earlier in his life he, Virgil Jackson and Ira Price became interested in Oil Wells.

Several Oil Wells were drilled on Ira's farm west of St Johns, but I don't believe they had much success.

I am writing this in October 1994 and this is the way I remember hearing these things.

Notes for CORA BRACKNEY:

By Helen Musser Leidy

Our Father Willis Musser died in 1937. I was 8 years old and my brother Warren C Musser was less than 2 years old.

Our mother sacrificed a lot to keep our family together. This was very important to her. She continued to operate the grocery store in St Johns, that I am sure my Father and her had big plans. This provided a small income for her and helped keep food on the table and clothes on our backs, and a roof over our heads. Social Security was not available to widows for the support of children at this time in history.

I remember a lot of people helped us. Our Aunts, Uncles, Grandparents and friends and neighbors were very good to us, and made sure we had a nice Christmas.

With WW II in progress and the income from the grocery store small, she decided to go to work at the Lima Tank Depot. This decision was due to two many factors, larger grocery store in Wapakoneta, better autos and people making more money, because the war. This decision helped here to provide a better living standard for us.

While working at the tank plant she met Hugh F Johnson, and they were married in 1944. Hugh had 2 sons Harold and Robert and after they were married he moved his family to St Johns and we lived in the old Grocery Store.

In 1951 we tore down the old store and built a new 4 bedroom home.

I believe my mother's faith in God and love for her Family sustained her through all her years.

In 1984 she sold her home in St Johns and moved into the Lima Towers in Lima, Ohio.

She loved her family and in later years her grandchildren and great grandchildren. Among the many things I'm sure her grandchildren will remember are Christmas's at Grandmas, Picking cherry's, large gardens, a large grape arbor filled with grapes, and oh yes Grandmas's noodles and sugar cookies with red hot's that Grandma had many requests for. She continued making those famous cookies until a year before she died.

Her last year was spent in a Nursing Home (Shawnee Manor-Lima Ohio) because of health problems. She was a very patient person, never complained and accepted things as they happened
